NOTIFICATION**

SUBJECT: DEBAR POLICY (Session 2023-24).

Training and Placement Program (TPP) of Department of Career Planning and Development (DCPD) caters to the industry placement specific training required by a student and it encapsulates both Soft Skills and Aptitude. The training modules are devised after extensive research by our training team based on industry feedback.

The Debar Policy of the University for the Academic Session 2023-24 is notified as under:

APPLICABILITY: This debar policy is applicable for B.E. (Semester 4, 5 & 6), MBA (Semester 2 & 3), M.E. (Semester 2 & 3), MCA (Semester 2 & 3), BBA (Semester 3 & 4) and BCA (Semester 3 & 4) students.

DEBAR SCENARIOS: In following scenario, a TPP registered student can be debarred from TPP by DCPD:

- A. Less than 90% attendance in any fortnight**
- B. Absence from Saturday Workshops & GDs**
- C. Absence from CUCATs or Evening Mock CUCATs or AMCATs**
- D. Absence from Evening or Saturday Mock Pls**
- E. Absence from Career Planning Webinar/Seminar or Peer Mentoring Sessions**
- F. Absence from Expert Talks/Kargil Seminar**
- G. Less than 100% attendance in Winning Camp**
- H. Unethical practice while attempting CUCAT/AMCAT**

Note: (i) In case of physical sessions, if a student is not formally dressed or is not carrying the DCPD books of the respective session, he/she will be marked as absent for the session.

(ii) In case of online sessions, if any student does not respond even at the third instance of calling out his/her name for participation, he/she will be marked as absent for the session.

POLICY: In all the above said cases, the student will be granted at most three working days to present his/her case to the respective DCPD branch wise SPOCs, failing which (*not presenting the case in the stipulated time or the case is not justifiable*), he/she will get permanently debarred from TPP by DCPD.

- **Category-1** If a student is permanently debarred before or during 1st MSTs, he/she will be shifted to Non-TPP and will join departmental subjects to earn the credits. The academic department will update the subjects on CUIMS accordingly. The benefits of attendance of DCPD subjects will not be transferred further. If a student is permanently debarred during or just before MST1 then he/she won't be able to appear for the MST of DCPD subject or departmental subject.
- **Category-2:** If a student is permanently debarred after 1st MSTs, he/she will be considered as detained and will not be allowed to join the departmental subjects, consequently, he/she will be required to fill summer/winter term to earn the credits of either DCPD subjects or the departmental subjects and will also study the same in the next semester (*if applicable*) in place of TPP. In this case, DCPD SPOC will remove DCPD subjects of permanently debarred students on CUIMS. DCPD SPOC will timely inform the academic department regarding detention of such student, so that academic department will further inform EGOV and COE (Controller of Examination) for necessary actions as per detention policy.
- **Category-3:** If a student is permanently debarred during Winning camps, sectioning of student for the next semester will be done in Non TPP section by the respective academic department.

Once a student is permanently debarred, he/she will not be allowed to join TPP even at a later stage (in the next semester or next year). He/she will not be allowed to attend any training of TPP or participate in any Campus placement drive organized by Chandigarh University.

Although permanently debarred students are not allowed to be reactivated in TPP, but in some exceptionally genuine medical cases, students may approach the concerned DCPD manager with valid proofs and then the concerned academic director of that branch. Concerned Director may recommend such cases to DCPD & then Senior Director (DCPD) may recommend such genuine cases for reactivation and can forward it to Hon'ble VC for a final approval. Thereafter, if that permanently debarred student is approved for reactivation in TPP by Hon'ble VC, then he/she will be added back in the same TPP sections and will be allocated same DCPD subjects by the respective academic department.
